

PFLAG Richmond College Scholarship Application

- 1) Name:
- 2) Address:
- 3) Telephone number:
- 4) E-mail address:
- 5) High School attended (include city, state)
- 6) If you are currently attending college or a place of continuing education, please provide the following information: term(s) completed; date(s) attended; major field of study.
- 7) If you have applied to one or more schools, please list them and provide: name of institution; major/field of study; present year of study
- 8) Have you been accepted by a college or place of continuing education? If yes, please list them.
- 9) If you have attended any other schools or taken correspondence courses, provide details.
- 10) Have you made a definite career choice? If yes, please describe it. If not, what careers are appealing to you?
- 11) List any honors or awards for skills or leadership at school or in the community that you have achieved while attending high school or college.
- 12) Please list any extracurricular activities in school or in the community that you have been involved with since entering high school.
- 13) Please list awards for skills or recognitions you have achieved in the community or at school.
- 14) Please give the names of three (3) persons as references. At least two of these references must be attached in writing and must be from an educational professional (teacher, professor, guidance counselor, etc.) or an official from a recognized Lesbian, Gay, Bisexual, Transgender or Intersex (LGBTI) organization.
- 15) Describe your involvement or volunteer activities within the LGBTI community.
- 16) Please complete a 500-1000 word essay on one of the following topics:
 - a. We are sometimes inspired to take action, to take a different path than we might otherwise have. Tell us about someone in the LGBTI community who inspired **you** to take action.
 - b. Multi-issue organizing recognizes the connection/intersection of issues of race, ethnicity, class, gender and orientation. What have you

done (or plan to do) to further understanding of the mechanisms of oppression?

- C. Our lives are sometimes transformed by influences from childhood.
How have LGBTI issues affected your perspective on life?
- d) What impact has a parent, family member or friend had on your views of LGBTI issues and community? How has your understanding of the issues propelled you to action?
